We've Got Panels Under Control

www.csicontrols.com

ORDERING INFORMATION

About this Price Booklet...

This Suggested List Price Booklet is a consolidation of CSI Controls' standard panels, alarms, and accessories. This price booklet corresponds to products from multiple product catalogs. If you have questions, please contact your Distributor, a CSI Sales Representative or the factory at 888-342-5753. Possession of this booklet or other CSI Controls product catalogs does not constitute an offer to sell. To be qualified as a Factory Direct customer, please contact a CSI Sales Representative or the factory. Prices, specifications, product offerings and policies are subject to change without notice.

Placing an Order

For Factory Direct Accounts, to assist us in delivering the exact product you want, please order by the seven digit part number or panel model number. If you do not find the product you are looking for in our catalog, please contact your Customer Service Representative at 888-342-5753. CSI Controls also manufactures custom control panels. To order, contact your Customer Service Representative toll free at 888-342-5753 or via email at customer.service@sjeinc.com.

Example

PowerZone™ Single Phase Duplex, 115V, Motor and Control Circuit Breakers with 20 Foot Mechanical Floats and Pedestal:
PZDF115CB-FC20-PED = \$1,064.00 + \$128.00 + \$118.00 = \$1,310.00 List

Order Shipping

Standard catalog products, depending on volume and options, are shipped within five (5) business days from receipt of order. CSI ships in-stock items same day when requested. Control panels ordered with multiple options and orders exceeding \$5000.00 may require up to ten (10) business days to ship. Large stocking control panel orders may require additional lead time of more than ten (10) business days. Next Day Air, Second Day Air and Three Day UPS Ground services are available to expedite orders. To receive these services, you must place your order before 1:00 p.m. Eastern Time.

Product Return

Returned Materials Authorization (RMA) numbers must be assigned to products being returned for warranty claim. Control panel models including PowerZone Series, Fusion Series, RK Series, and "Fusion" Plus Series; panels including any "non-catalog" options; obsolete panels; and panels more than one (1) year from date of manufacture cannot be returned for any reason. Contact your customer service representative for instructions on returning a product for warranty.

Warranty

CSI Controls offers a five-year limited warranty on most products. However, some product warranties may vary. For complete terms and conditions, please visit www.csicontrols.com.

Prop 65

CONTROL PANELS

**RK SERIES™ DISPLAYS

The RK Series™ displays are currently available in two versions - the Digital Display Center (DDC), and the Digital Interface Board (DIB). The DDC display utilizes a (4) four character LED display screen while the DIB incorporates a two line, 16 character display screen providing a more complete read out for the user.

**DIGITAL DISPLAY CENTER (DDC) - 4 CHARACTER READ OUT

CONTROL SWITCHES

**SPEED-E CONNECT™ 3-Port Float Switch Connection System

The Speed-E Connect™ 3-port system features a wiring manifold with quick release float switch ports that allows for easy maintenance and replacement of 1-3 floats. The single 6-conductor manifold cable features Red-Blue-Yellow wire pairs that match R-B-Y imprints on the manifold housing for easy wiring and float identification. A rubber boot is provided with each float switch for extra protection. Sealing plugs are available for unused ports. Rated for short term submersion in water.

**SPEED-E CONNECT™ OPTIONS

PART #	DESCRIPTION	LIST PRICE
1052772	SPEED-E CONNECT™ SEALING PLUG (INCLUDES RUBBER BOOT)	\$14.35

The Speed-E Connect™ 3-port and 4-port systems include: manifold and mounting bracket. Ordered separately: sealing plug with rubber boot and Speed-E Connect™ low current mechanically-activated float switches rated at 125 VAC, 0.160mA to 1A for low current applications.

N = Narrow Angle **W** = Wide Angle **PC** = Pipe Clamp **CW** = Cable Weight **NO** = Normally Open **NC** = Normally Closed **SC** = Speed-E Connect

NOTE: One sealing plug must be ordered for each unused port. Do not install manifold with open port(s).

California Prop 65 requires the following:  **WARNING Cancer and Reproductive Harm - www.P65Warnings.ca.gov

CONTROL SWITCHES

**CONTROL SWITCHES

Due to the many variations of control switches, please consult your local Representative or the factory for our full offering of floats.

**CONTROL DUTY - NARROW EXTRA LARGE MECHANICAL CONTROL SWITCHES

PART #	DESCRIPTION	LIST PRICE
1046504	MGM, 25 ft. bag	\$90.42
1046505	MGM, 50 ft. bag	\$114.91
1046506	MGM, 75 ft. bag	\$147.87
1046507	MGM, 100 ft. bag	\$182.35

Internally weighted. Can be wired to work in either pump down (normally open) or pump up (normally closed) applications.

PACKAGING: Bagged - Standard
